My dear Doctor

I noticed in one of the daily newspapers that an effort was to be made to secure a fund of about $2000 — the interest of which to be expended in keeping the grounds of Christ Ch. Burial Ground 5th & Arch Sts in order.

Will you please let me know if any, & what steps have been taken in that direction? I shall be pleased to assist in the matter by contribution — & apply to you for information as yr name was connected with the notice as above

I remain Dr Sir Yours truly

Chas. Clark.

Dear Dr Bache

I have made a few memorandums about Old Christ Church families, & their descendants — A printed circular alone will not accomplish much — When I was connected with the Lot holders Association of "Woodlands Cemetery", we found that most of our printed Circulars found their way to the waste basket — We had but few replies from the printed circulars — We afterwards sent with the circulars a brief written notice, signed by the officers of the Assoc.n — these appeals were immediately responded to, particularly when a prepaid envelope with the address of the Secretary accompanied the circular & note ——
